

Annexure 1- Declaration of visit to India

I confirm that I am a resident of India and had last visited India in <month, year>. During my stay in India, I was informed about the insurance policy by ICICI Life representative. However, I could not complete the application for the insurance policy during my stay in India and would now like to go ahead with the same. I confirm that my circumstances with respect to need and affordability continue to stay the same and I have understood all the features of the insurance policy and am making an informed decision to go ahead with the purchase by completing all application formalities.
