Benefits in Detail

Death Benefit: In the unfortunate event of death of the Life Assured during the term of the policy, provided the monies are not in the Discontinuance Policy Fund, the following will be payable to the Claimant.

Death Benefit = A or B or C whichever is highest Where,

A = Sum Assured, including Top-up Sum Assured, if any

B = Minimum Death Benefit

C = Fund Value as available on date of intimation of death or Date of Foreclosure or Date of Maturity whichever is earlier

Minimum Death Benefit will be 105% of the total premiums including Top-up premiums, if any received up to the date of death.

Maturity Benefit: On maturity of the policy, you will receive the Fund Value. You have the option to receive the Maturity Benefit either as a lump sum or as a structured payout using Settlement Option.

Unlimited Free Switches: If you choose the Fixed Portfolio strategy, you can switch units from one fund to another depending on your financial priorities and savings outlook as many times as you want. This benefit is available to you without any charge. Switches are not applicable for other portfolio strategies.

Benefits in Detail

Partial Withdrawal Benefit: This facility is designed to help you provide liquidity so that any immediate financial need can be met. You can avail this any time after the completion of lock-in period, provided the monies are not in the Discontinued Policy Fund. You can make unlimited number of partial withdrawals as long as the total amount of partial withdrawals in a year does not exceed 20% of the Fund Value in a policy year. The partial withdrawals are free of cost.

Systematic Withdrawal Plan (SWP): Under Partial Withdrawal facility, you can choose to opt for Systematic Withdrawal Plan (SWP). This facility allows you to withdraw a pre-determined percentage of your fund value regularly. This can help you to meet specific needs such as child's education or money for day-to-day expenses during retirement.

Change in Portfolio Strategy (CIPS): You have the option to switch amongst the available Portfolio Strategies. You can change your portfolio strategy up to four times in a policy year provided the monies are not in Discontinued Policy Fund. This facility is provided free of cost. Any unutilized Change in Portfolio Strategy(CIPS) cannot be carried forward to the next policy year.

Top-Up: You can save any surplus money as Top-up premium, over and above the base premium(s), into the policy. The minimum Top-up premium is Rs 2,000.

The above illustrations are for a healthy male life with 100% of his investments in Maximiser V. The above are illustrative maturity values, net of all charges, Goods & Services Tax and cesses, if any. Since your policy offers variable returns, the given illustration shows different rates of assumed future investment returns. The returns shown in the benefit illustration are not guaranteed and they are not the upper or lower limits of what you might get back, as the value of your policy depends on a number of factors including future investment performance.
